Fair is the white star of twilight (Shoshone love song – Native American)

1

Fair is the white star of twilight }
And the sky clearer at day's end } x2
But she is fairer, she is dearer,
She my heart's friend

2

Fair is the white star of twilight }
And the moon roving to sky's end } x2
But she is fairer, more worth loving
She my heart's friend
